I never dreamed
You'd mean a thing to me,
But when I needed your lovin',
You gave me love
The way it outta be.

Sweet country babe,
The memories are clear.
And I remember the laughter
Sure miss the laughter.
Heaven, you were here.

And when I feel
The way I'm feeling
Can't help believing you…
Made it so easy.
They can't take that away.

The girl you were,
The girl you used to be…
And I have heard all the stories.
You know the stories
Don't mean a thing to me.

I love your face,
I love your quiet ways.
If I could paint you a color
You'd be a rainbow
on a summer day.

And when I feel
The way I'm feeling
Can't help believing you…
Made it so easy.
They can't take that away.
They can't take that away.
