Talk about your women in Birmingham,
An' a little from Baltimore.
But the girls I love get their toes in the sand,
Of the sweet Santa Monica shore.

Singin' California women, in the Greek, God, Amon.
I gotta sweet, sweet jelly roll.
California women, in the Greek, God, Amon.
I gotta sweet, sweet jelly roll.

Instrumental break.

California women, in the Greek, God, Amon.
I gotta sweet, sweet jelly roll.
California women, in the Greek, God, Amon.
I gotta sweet, sweet jelly roll.

De, da'd 'n, de, de, de, de'd 'n, de, de'd 'n, de, etc.

Singin' California women, in the Greek, God, Amon.
I gotta sweet, sweet jelly roll.
California women, in the Greek, God, Amon.
I gotta sweet, sweet jelly roll.

California women, in the Greek, God, Amon.
I gotta sweet, sweet jelly roll.
California women, in the Greek, God, Amon.
I gotta sweet, sweet jelly roll.

California women, in the Greek, God, Amon.
I gotta sweet, sweet jelly roll.
California women, in the Greek, God, Amon.
I gotta sweet, sweet jelly roll.
