And if a good lookin mama make a good lookin child
now
your mother must have been a beauty
when you were young I bet you drove the little boys wild
look what you do now your a lady

(lady)

I said your mama must have told you

(musta told you)

all the things you should know
You make somebody wanna hold you

(wanna hold you)

and never let you go
And if a sweet lovin mama make a sweet lovin child
now
your mother must have been a lover
When she was young I bet she drove the little boys wild
look what you do now your her daughter

(daughter)

I said your mama must have told you

(musta told you)

all the things you should know
you make somebody wanna hold you

(Wanna hold you)

and never let you go
and if a

I said your mama must have told you

(musta told you)

all the things you should know
you make somebody wanna hold you

(wanna hold you)

and never let you go
and if a good lookin mama make a good lookin child
now
your mother must have been a beauty
when you were young I bet you drove the little boys wild
look what you do now your a lady
