Everybody's working on a great, big life machine
Everybody's bound to have a story
I believe in miracles, you know what I mean
I believe in the power and the glory
Of dreaming, sweet dreaming
Dream on

You know, you know, you know you've been dreaming
I've been dreaming, too
Nothing wrong wrong with dreaming
Sometimes they come true

If the bad guys tie you to the railroad track
I will rescue you
You put the wings on the songs I sing
April, I love you

Everybody, everybody, everybody wanna boogie
woogie
In the good, old summer time
Everybody wanna find a ride up to heaven
Nobody wanna make the climb

Heard you're giving lessons
Teaching yourself to fly
You've got the wings of a hummingbird
Love is gonna get you by

Everybody, everybody
Everybody's working on a great, big life machine
Everybody's bound for glory

You know, you know, you know you've been dreaming
I've been dreaming, too
Nothing wrong wrong with dreaming
Sometimes they come true

If the bad guys tie you to the railroad track
I will rescue you
You put the wings on the songs I sing
April, I love you

Everybody, everybody
You know, you know (everybody)
You know, you know (everybody)
You know, you know (everybody)
You know, you know (everybody)
