Like a lion in the winter I can hear the summer call  
Like a ship out on the ocean made of stone  
And sometimes when I get lonely I can swear I hear you  
call  
Oh, the nights are cold when you don't keep me warm.

And when I first saw you I first loved you  
With a song that I sang to the fire in your eyes  
But somebody told you that it wouldn't be easy  
And you carried that lie for the devil to sing.

Some sail rivers deep and muddy some sail rivers  
clear and cold  
But the river that I'm sailin' goes to sea  
And sometimes I do grow weary sometimes I feel old  
And sometimes I wonder if you think of me.

And when I first saw you I first loved you  
With a song that I sang to the fire in your eyes  
But somebody told you that it wouldn't be easy  
And you carried that lie for the devil to sing.

Like a lion in the winter I can hear the summer call  
Like a ship out on the ocean made of stone  
And sometimes when I get lonely I can swear I hear you  
call  
Oh, the nights are cold when you don't keep me warm.

And when I first saw you I first loved you  
With a song that I sang to the fire in your eyes  
But somebody told you that it wouldn't be easy  
And you carried that lie for the devil to sing...
