You make me think of my sweetheart
A little girl I love so
Now, after I wander the whole night through
Wond'rin' if you think of me.

My Carolina sunshine girl
You're the sweetest angel in this whole wide world
An' I wonder why I sit and cry
When I really should laugh
At your little ol' photograph
You are the sweetest angel in this world
An' I love, love, love you
My Carolina sunshine girl.

Ba da 'n ba bum...
