Some Women make you wanta write love songs  
Some Women make you wanta cry  
Some Women make you want 'em all night long  
Some Women make you wanta lie - about  
Where you been  
and what you been doin'  
Who ya been seein'  
and what you been brewin'

Some Women make you wanta lose your mind.  
Some Women like a man who sails the sea.  
Some Women like 'em high and dry.  
Some Women talk and you just got to believe it.  
Some Women always gonna lie - about  
Where they been  
and what they've been doin'.  
Who they've been seein'  
and what they been brewin'.

Some Women make you wanta lose your mind.  
Some Women's hearts shine like gold.  
Some Women's hearts are just black as coal.  
Some Women's words make 'em easy to hold.  
Some Women's words make you just feel old - like  
Where you been?  
and what you been doin'?  
Who you been seein' and  
what you been brewin'?  
Some Women make you wanta lose your mind.
