(Hoyt Axton)

I used to laugh a lot that's why my face is crinkled
That's why my teeth are chipped by sandy wind
Sometimes it's easy sometimes it's not so easy
Sometimes I feel like I can't go on.

Then I remember what really makes it easy
Being with you when I'm singing my song
Everybody got to have 'em some happy
Everybody got to have 'em some happy
Everybody got to have 'em some happy.
