(Hoyt Axton)

You know I smoked a lot of grass  
And I popped a couple of pills, now  
But I never touched nothin' that  
could break my will, now  
But I've seen a lot of people  
With tombstones in their eyes  
If they don't get their hard stuff  
You know they're gonna die  
God damn the pusher man

Well, the dealer is a man  
With love grass in his hand  
But the pusher is a monster  
And not a natural man

Yeah, the dealer take a nickel  
Give you lots of fine dreams  
But the pusher take your body  
And leave your mind to scream  
God damn the pusher

Yeah, if I were the President  
of this land  
I'd declare total war on the pusher man  
I'd cut him if he stands  
I'd shoot him if he runs  
I'd kill him with my razor  
And my Bible and my gun  
God damn the pusher man
