The white ship has sailed and left me here again  
Out in the mist, I was so near again  
Sailing on the sea of dreams  
How far away it seems  
Sailing upon the white ship

Home through the night here in my darkened room  
Sails of white across the misty moon  
Floating across the sky  
Burning into my eye  
Sailing upon the white ship

Out of my mind nothing flows  
Alone on the shore, but that's how it goes  
Everyone knows  
How the wind blows  
The white ship

Out of my mind nothing flows  
Alone on the shore, but that's how it goes  
Everyone knows  
How the wind blows  
The white ship

The white ship has sailed and left me here again  
Out in the mist, I was so near again  
Sailing on the sea of dreams  
How far away it seems  
Sailing upon the white ship  
Sailing upon the white ship  
Sailing upon the white ship
