I'm leaving home
your baby's gone

My mind is ache
I just can't sleep
With that locomotion theme in my black old limousine.
No wooden heart
I feel the rain

They drink champagne
I just can't sleep
With that locomotion theme in my black old limousine.
My locomotion dream -

Locomotion dream - living here in my black old
limousine

Locomotion dream - living here in my black old
limousine

Locomotion dream - living here in my black old
limousine.

Why don't you stay so far away

I just can't sleep with that locomotion
theme in my black old limousine.
No time for tea
no time for me

As years go by
I just can't sleep
With that locomotion theme in my black old limousine.
My locomotion dream -

Locomotion dream - living here in my black old
limousine

...

I'm rolling home
my time has come

I'm on my way
don't let me down
In my black old limousine with that locomotion dream.

Locomotion dream - living here in my black old
limousine

...

Locomotion dream - living here in my black old
limousine

...

Locomotion dream - living here in my black old
limousine
