Can I pick you up from school
Can I take a walk with you
Pogo the clown is the man
With the funny red nose
Let me touch your virgin flesh
Why do I get soaking wet
Don't run away little boy
Because your mammy won't know
Your Pogo is here
Time after time
I brought you to laughter
Prince for the night
Oh I need help
Help me out with your life
Can you see my big surprise
Under my obscene disguise
Pogo the clown is the man
With the funny red nose
There's no need to be afraid
I will take you to home again
Don't run away little boy
Because your daddy won't know

Your Pogo is here
Time after time
I birthdays bring laughter
Come here my child
Feel the last of my disease
Just one more game
Take the red or pink balloon
So erotic in your mouth
Provocative and sensuous
Tell me why you lie so still
I won't hurt you I won't kill
Pogo the clown is the man
Who will take off your clothes
Feel the whip on naked skin
Driving him insane again
You can't run away little boy
Because nobody knows
Old Pogo is here
