Aight girls, let's do it
Na, na, na, na, na, na, na, na
Na, na, na, na, na, na, na, na

Baby baby, I like all the New York city boys
They like to party, they like to heat it up and make
some noise
In Miami, boys are really cute
And you know they're looking fly in their bathing suits

CHORUS:
Can't get 'em off my mind, crazy for the boys
We want 'em all the time, crazy for the boys
We're going east to west, looking for the best

Somebody stop me - I fell in love again in New Orleans
But when I got to Kansas City, I swear I saw the boy of
my dreams
Met a hottie down in Santa Fe
But I forgot him once I got to L.A.

CHORUS:
Can't get 'em off my mind, crazy for the boys
We want 'em all the time, crazy for the boys
We're going east to west, looking for the best

Na, na, na, na, na, na, na, na
Na, na, na, na, na, na, na, na
