So many nights I lie alone
Wishing that you were on the phone
So I could tell you things I never share with anyone
IÂ've never felt like this before
Wishing and hoping wanting more
And now my wits are lost and you have conquered all
of my thoughts.

So much for thinking that IÂ'd never fall in love
Cause youÂ're the only one IÂ'm dreaming of

[Chorus]

With one look in your eyes
And one taste of your kiss
And suddenly I knew
IÂ've fallen for you
ThereÂ's nothing I can say
Nothing I can do
IÂ've fallen for you, oh baby
IÂ've fallen for you

ItÂ's amazing the way you make me feel
I wonder if everything is real
For my world is spinning round so fast that I can barley
see
The way that you look, the way you walk
ThereÂ's something about the way you talk
It seems your voice is like an angel calling out to me

So now IÂ'm thinking that IÂ've finally fell in love

Cause youÂ're the only one IÂ'm dreaming of

[Chorus]

(Do you know) This feelingÂ's lasting longer than it ever
has before
(Do you see) IÂ've never had my taste of you, and now
IÂ'm only wanting more
You know together weÂ'd be so amazing youÂ'll see
Just let me into your in my heart, you and me.

With one look in your eyes
And one taste of your kiss
And suddenly I knew
Iâ€™ve fallen for you
Thereâ€™s nothing I can say
Nothing I can do
Iâ€™ve fallen for you, oh baby

Yeah, (with one look in your eyes)
One taste of your kiss
(And suddenly I knew)
Iâ€™ve fallen for you
(Thereâ€™s nothing I can say) Nothing I can say
(Nothing I can do) Nothing I can do
(Iâ€™m falling, falling) Iâ€™m falling, baby (Iâ€™ve fallen for
you)
Iâ€™m falling, baby (Iâ€™ve fallen for you)
With one look, baby
Iâ€™ve fallen for you
