So you are a star, ok
Nobody knows you like I do
And you will go far, ok
Nobody knows you like I do
You've got to love only me
You've got to feel only me
'Cause nobody knows you
Nobody shows you the way
That I do

So you are a star, they say
Nobody knows you like I do
And you play the part, ok
Nobody knows you like I do
You've got to love only me
You've got to feel only me
'Cause nobody knows you
Nobody shows you the way
That I do

I close my eyes
Thinking about my tomorrow
And then I cry
There's no one here
To shed a tear for me, oh no

So you are a star, oh yeah
Nobody knows you like I do

And you know you are ok
Nobody knows you like I do
You've got to love only me
You've got to feel only me

'Cause nobody knows you
Nobody shows you the way
The way
Nobody knows you this way
