"Flash In The Night"

As a break of dawn came closer
All my hopes seemed so forlorn.
The misty signs of laughter
And the light eluded all.
My despair was caught in motion

A face just barely true -
Shadows in blue.

A flash in the night . . .
In the changing of the season
Releasing one lost name.
The scar once healed forever
Dissolving in the rain.
A twig snapped in the clearing

A glimpse of golden skin

My face within

My despair was caught in motion.
A face just barely true -
Shadows in blue.

A flash in the night . . .
