H.e.a.r.t, show me your h.e.a.r.t, show me your h.e.a.r.t  
H.e.a.r.t, show me your h.e.a.r.t, show me your h.e.a.r.t  
Girl I must say, there's something so special  
I just can't seem to turn away for a second  
Not a minute, if you just stay  
I can get to know you more than just what I see  
You're flawless to me baby

You're pretty as they call, bad as the baddest one  
Just like a diamond shinning brighter than the sun

But I just gotta go, you know how to love  
Cause I think you just might be the one

So show me your heart, cause tonight we gonna be  
falling in love  
Show me your heart, I just wanna get you out of this  
club  
Show me your heart, show me your heart  
Show me your heart, show me your heart  
So show me your heart, cause I want all love to my  
baby.
