[Chorus: Huey]

Toot that thang up, mami make it roll  
Once you pop, pop lock it for me girl get low  
If yo mama gave it to you, baby girl let it show  
Once you pop lock, drop it for me maybe we can roll,  
OH!

[women in background - 2X]

Pop, lock, and drop it  
Pop, lock, and drop it  
Pop, lock, and drop it  
Pop, lock, and drop it

[Huey]

Baby Huey, tonight it's gon' be some changes, no actin  
saddy  
So stop actin and get it clappin cause I'm knowin you  
feelin me  
Yeah you cute, but don't let that shit go to yo' head  
'cause what this cutie won't do, pimpin another one will  
You prepared rockin a skirt and ya heels so tall  
And we ain't wit none of that trickin but our bills so tall  
I been peepin you fo' a while and you throwin it back  
If you lookin fo you a balla, we got dough in da back  
Look yo' color carmello brown and yo skin so smooth  
I'm havin fantasies about what you and me can do  
And you an undacover freak, you probably thinking da  
same  
I'm seein light up on yo face, because you peepin my  
chain  
And I ain't tryna put you out there, as if you a freak  
So don't even take it that way, just say you did it fo' me  
And yeah, you probably ROLL wit me cause it's money  
in my pockets  
So before THEN, I gotta see you pop lock and drop it

[Chorus]

[Huey]

Baby Huey, I ain't gotta be yo' man, but I really wouldn't  
mind

We ain't gotta talk again, I'm jus tryin have a time  
If you a balla, pull a stack out, and smack her on da  
ayyy'  
Pop lockin cock blockas get up out da way  
Let lil' mami get low, give a space let her sweat  
The club turnin to hoolas cause they shirts is so wet  
From da window to da wall, lil' mama showin her thong  
The broad freakin herself, it's tellin me that it's on  
You ready then we can roll I'm tellin you we can go  
I'm thinkin if I can handle it the way you make it roll  
You groovin and speedin up, you right in between us  
If you a strip-teaser, then baby don't tease us  
At first I thought I was trippin but my vision gettin  
clearer  
You moving that thang around as if you practice in the  
mirror  
"She doin a new, dance," what the next man said  
I'm like, "Naw, she just pop lockin on a headstand"

[Chorus]

[Hook]

Make it roll to the left (left), roll to the right (right)  
Pop lock and drop it get low aight  
Make it roll to the left (left), roll to the right (right)  
Pop lock and drop it get low aight  
It ain't trickin if you got it, we got it but I ain't givin  
Just bounce it and roll wit it and maybe you roll wit us  
It ain't trickin if you got it, we got it and I ain't givin  
Just bounce it and roll wit it and maybe you roll wit us

Pop lock and drop it, now pop lock and drop it fo me  
Pop lock and drop it, say pop lock and drop it  
What's yo name girl? Neva mind, neva mind  
Do ya thang girl, fire you ain't neva lied  
What's yo name girl? Neva mind, neva mind  
Do you thang girl, fire you ain't neva lied, oh!
