One more day in the struggle  
Have to get up and juggle  
You done know, want a little sugar inna de pan  
Me nah see fi trouble, no man  
Oh oh oh

Said I had close one yesterday  
Jah put an angel over me, be strong  
Hold a firm meditation  
One day things must get better, don't you go down  
Keep your head above the water  
Say, one day things must get better, be strong

Said I had close one yesterday  
Jah put an angel over me, be strong  
Hold a firm meditation  
One day things must get better, don't you go down  
Keep your head above the water  
Say, one day things must get better, be strong

The rich is wise in his conceit  
But the fool with over standing search him out  
Poor man mourn, the rich riches increase  
Be not grieved, riches are not forever

Envy not the oppressor chosens none of his ways  
Be not wise in his own eyes, only jah you must praise  
Strive not with a man without cause  
If he have done no harm, let by gone be by gone

Said I had close one yesterday  
Jah put an angel over me, be strong  
Hold a firm meditation  
One day things must get better, don't you go down  
Keep your head above the water  
Say, one day things must get better, be strong

This nine to five is a joke  
Compare to the pressure the minister say  
The economy is getting better  
Misleading the people

The mass still suffer on jah  
Scarce benefit and spoils  
Jah know that we feel it day
