Oh, tonight is such a special night
You are here with me and I'm here with you
Let's be free

Say anyone out there feel good tonight
Let me hear you say, aiy yi yi
Are you with that one you love tonight?
Well, let me hear you say, aiy yi yi yi

You wanna leave your troubles way behind
Say, aiy yi yi yi
Now we all gonna cross the bridge tonight
Aiy yi yi yi

Aiy yi yi
Aiy yi yi
Aiy yi yi
Whoa, mmm mmm mmm

So nice chilling with my baby, me and my lady
Slowly working things out
Glad that you are that lady
There is no doubt, tonight we gonna turn it out

Hold you in my arms rocking side to side
Loving you only, the perfect bride
Stars in the heavens parade synchronized
I see something in your eyes

So if you like giving up some love tonight
Say, aiy yi yi
You think it's time to set it right
Oh yeah, aiy yi yi yi

Then just let bygones just be gone
Aiy yi yi yi
No sense in living it alone, no
Aiy yi yi yi

Say, aiy yi yi
Aiy yi yi, oh
Aiy yi yi, oh

Whoa, mmm mmm mmm

Buju and Beres, Joey Crack the don
Now everything irie man a cool man a easy
Joe's a beast in the sheets, please believe me
Not tonight, no cussin' or fussin'
Just a whole lotta bumpin' and crushin'
With your special someone

Girl with a bunion like that how I'm supposed to act
You got a cat thinkin' marriage right off the back
It's been love at first sight since I met you
And I will never let a man disrespect you
You're my queen

And I fiend for your love in the dark
Make you scream when we crush in the park
'Cause I'm a thug at heart
Look in your eyes 'cause it never lies
Got me feelin' like aiy yi yi yi

Now anyone out there feel good tonight
Let me hear you say, aiy yi yi
Are you with that one you love tonight?
Let me hear you say, aiy yi yi yi

You wanna leave your troubles way behind
Aiy yi yi yi
Now we all gonna cross the bridge tonight
Can I hear you say, aiy yi yi yi?

Aiy yi yi
Aiy yi yi
Whoa
Whoa

I wanna hear you scream and shout tonight
So much, we gonna make it right
There is not a moment for argue, nor fight
Live like there's gonna be no more tonight

Holding the one you love close, real tight
True, sensational, pure infinite
The mood, the setting, the timing is right
Come on baby, let's dance

Yo, anyone out there feel good tonight
Let me hear you say, aiy yi yi
Are you with that one you love tonight?
Yes, yes, aiy yi yi yi

You wanna leave your troubles way behind
Aiy yi yi yi
Are we all gonna cross the bridge tonight?
Let me hear you say, aiy yi yi yi

Say, aiy yi yi
Aiy yi yi
Aiy yi yi
Whoa

Say, aiy yi yi yi
Yi yi yi
Aiy yi yi yi yi
Ooh na na na na na
