Tell Sonia send hoe him bag and pan

Them hol' on pon Paul, Carl and Devon

Some man who run the place thru dem there so long

Tek dem off a di line without a question

Sen dem right back inna dem born land

Tell unno fi come, bout unno nuh ready yet

Only citizens alone shall get a healthy kit

Sam get serious, tighten all loop holes

Woe be unto all petty pushers, so called dupe

Not what yu gained, but what you attained

To live and die in the USA, such a shame

Analyse your imprint with what you have gained

Minimun wage is blood sweat and pain

You take my identity and left me in shame

Oh Jah, oh Jah

[Verse 3:]

Who tell dem not to respect Sam law
Yuh mean yuh never knoe sey immigration a law
Federal violation of Federal laws
Observe the eagle clenching its claws
To get across this border, keeps getting harder
Even though I've been a resident from a youth
Mi nuh waan yuh handle mi like no pancoot
Dig up mi few possessions and soil up mi suit
Confiscate mi docs without no excuse

[Chorus]
