Buju B and RedRat love dem bad
Without gal pickney
What kinda fun we woulda have?
When me see them me glad

Miles upon, miles me ready fi trod, can't tired
I don't know what them have
Like magnet to steel
So them have man a drag

That's why a nuff we have mi friend
So much girl ina fi we catalog

Oh, yes I see
Girls a ruin me
In abundance
What we a go do

Ugly and pretty
What an audicity
One fi RedRat and one fi Buju
Every where I swear

Man a draw down
All who begs nah get none
From quarter mile I see them a run come
All girls know ist time to have fun

Buju B and RedRat love dem bad
Without gal pickney
What kinda fun we woulda have?
When me see them me glad

Miles upon, miles me ready fi trod, can't tired
I don't know what them have
Like magnet to steel
So them have man a drag

That's why a nuff we have mi friend
So much girl ina fi we catalog

Me no matter the amount

Give them space, no man alone
Pure woman face, love us all princess
Goodness grace

Well, every woman want a man
Who possess taste
See the gal them slide and wine
Down the line

Oh, yes indeed it remind
Of the role all females play
It's a force to observe
Whether night or day

Buju B and RedRat love dem bad
Without gal pickney
What kinda fun we woulda have?
When me see them me glad

Miles upon, miles me ready fi trod, can't tired
I don't know what them have
Like magnet to steel
So them have man a drag

That's why a nuff we have mi friend
So much girl ina fi we catalog

Modelling watch steam out face fay
Manicure that must be done every day
Palaving spree want to go everywhere
She no nuff a just so the princess stay

Nuh make clothes dry rotten ina house
Socializing is what it's all about
No care who a chat and run up dem mouth
Girl friend them can't get you out

Buju B and RedRat love dem bad
Without gal pickney
What kinda fun we woulda have?
When me see them me glad

Miles upon, miles me ready fi trod, can't tired
I don't know what them have
Like magnet to steel
So them have man a drag

That's why a nuff we have mi friend
So much girl ina fi we catalog
