Yah, Buju Banton alongside Rancid, yeah
Taking a walk along the reggae boulevard
Oh yeahh

Where the sun always shine
Beauty the best you can find
People say warm good feelings
Come on lets go stop wasting time
Where reggae music take on that mystical fawn
Tropical sunrise before day dawn
Everyone should have such experience
So when you go just tell your friends

No more misty days
No more rainy days
Tired of seeing haze
Oh sweet Jamdown
Here we go

Worldwide what a joy it bring
Thanks and praise to the Almighty King
As the plane touch down I feel the wind
Nostalgic homesick feeling
Sweet Jamaica island in the sun
Cultural basket endless fun
Ackee and saltfish with run down
Oasis in the desert any thing we plant come

No more misty days
No more rainy days
Tired of seeing haze
Oh sweet Jamdown
Here we go

See natty dread, flash him natty
Pestilence spread feel so happy
Fullness had never been told
Men eyes must behold
Reggae boys hold ball and score goal

No more misty days

No more rainy days
Tired of seeing haze
Oh sweet Jamdown
Here we go
