And I want to smoke but the sign says No Smoking At All

Want a drink but they say No More Alcohol  
He is like My Back's Against The Wall  
I feel like I can't get no help at all

Him feelin a bit under the weather  
When I thought to myself what would make him fell better  
And some beg for sunken treasure  
No I would not keep it all to myself  
Let me share some with another  
And so I said

I want to smoke but the sign says No Smoking At All  
Want a drink but they say No More Alcohol  
I fell like my back's against the wall  
Feel like I can't get no help at all

I search I look  
I call on my brother  
Everywhere I turn Everywhere I look  
I could not find your daughter  
I stopped at every corner I could think  
All closed I just could not find a drink

To ease this pain  
Oh my day was so bad

Lord  
And called  
Want to smoke but the sign says No Smoking At All  
Want a drink but they say No More Alcohol  
I fell like my back's against the wall  
Feel like I can't get no help at all

I fell like my back's against the wall  
I feel like I can't get no help at all  
want to smoke but the sign says No Smoking At All  
Want a drink but they say No More Alcohol

I fell like my back's against the wall

Feel like I can't get no help at all  
He is like My Back's Against The Wall  
I feel like I can't get no help at all
