Chorus:

I would like to be your honey in you life
I want to be the only man
Real quality time and affection
One man can't run her locked combination
All she a look, she no see the Mr. Man

Tear up resume burn up application
One look she take and I fit the position
No matter who is in the way, run way the little man
Buju have the slam to rock you all night long
Woman I see trouble
To how my heart a bubble
Something must be wrong
Not true me no have no girl
Juggle me a juggle
Still can hold my hand
