Intro

You got to feel it inna unu  
Buju Banton, with the lyrical echo

Chorus

Right now I am red, red, red  
Redder than red, red, red  
It just a musical vibe a rub-a-dub sensation  
Just a go to mi head

Repeat Chorus

I cannot keep it under cover  
I cannot keep it under the she'd  
Got to show it inna touch  
This how I make my bread  
Dem say this is easy, dat done than said  
Considering all, it is  
Really another bread  
Must have fi juggle  
Whether rain or fall  
Pot have fi bubble  
Cant tek when picney bawl  
Nuh motherless, nuh fatherless  
But no white squall  
Never had a ball to play with  
Nor a cookie in the jar  
My little sister baby dolly mek outta far  
Nuf wash dem mouth but them nah reach far  
Say a prayer for me

Repeat Chorus

Take off mi shirt, wring it up, water too much  
DJ a DJ and nuh haul and pull up  
Wuk and stop wukand stop the vibe cut  
Have a fire inna me wire, can't quench with syrup  
A nuh is da to k, while minus to plus  
So much to deal, the poorer rage a fuss  
Is it all about making money or is it conscious  
Lighting thunder, brimstone ball buss

Chorus

I want you to love my music  
I really want you to feel my music  
Intense heat and humidity so high  
Dance all night until you're whole body runs dry  
Who make you feel good so, I
