Watch this Beres!  
Woman sing all about dere wanting this  
Hear why!  
Verse 1:  
Thought I could live without you (Eh-eh)  
Thought everything would be fine  
Saw nothing special about you  
But still you were plaguing my mind  
I used to take you for granted  
You were the last name in my life  
Presently you're the most wanted  
At the top of my life  
And it was yesterday when  
I saw you down my lady  
You were with my best friend (Jealousy reign)  
All ((trop-a-tane?)) (Talking game) (And!)  
And now I'm falling in love  
All over again, yeah  
How could I ever doubt  
That you were my friend (I'm)  
Falling in love (Falling)  
All over again (Over and over - Watch this!)  
How could I ever doubt  
That you were my friend (Beres!)  
Who  
Say that big man don't cry  
Yuh never miss di water  
Till yuh well run dry  
Could yuh find it in yuh heart  
To give me one more try  
I wont abuse the situation  
This time I wont lie  
By mi nightly conversation  
Also mi lullaby  
Well she squeeze orange juice  
An mi eggs well fried  
Garments well cleaned  
From mi socks to mi tie  
She's a friend, also a lover  
Dat mean me not feel shy  
Me express meself  
Straight up to the sky (Oh)

Who  
Say that big man don't cry  
Yuh never miss di water  
Till yuh well run dry (Me say)  
Who say that big man don't cry  
Now I'm falling in love  
All over again (Its only natural)  
How could I ever doubt  
That you were my friend (Eh-eh)  
(But I'm) Falling in love  
All over again (As I was saying)  
How could I ever doubt  
That you were my friend (Watch this!)  
Woman unleash all yuh sw
