Yeah... It's the new Era..  
Huey Dunbar.  
Shit.. La Brigada.  
Fria.  
Yo, yo Hue kick that old school joint for me

I can remember when we first started  
You came to me and you were broken hearted  
I took you in and wiped all your tears away  
I gave you loving more than any other gave  
Don't you know I'm the one and I love you girl  
I don't care what they say you know you are my world  
Come back home to the one  
Who loves you more and more  
Soon you'll see that it was me you were searchin for

Chorus:  
Spring Love come back to me  
That Spring love is on my mind and I won't forget

Yea Verse 2 lets go

I can remember the first time we ever met  
The sun was shining  
Love was gleaming in the air  
You caught my eye and the next thing that I knew  
I was in love - I was so in love with you  
We were so close for a season of my life  
I wanted so much to have you for my wife  
But something changed  
Season came to an end  
I had to leave you  
And thats where my heartache began

Repeat Chorus:

Lets dance a lil..  
Huey dunbar.. I feel you  
Mi gente de Puerto Rico  
BX and all that  
Fria.. Lets go

Repeat Chorus:

La brigada

Spring Love come back to me  
The way we shared the way we cared  
And I won't regret

Shit, wud up to my peoples  
From swing and fact and all that  
No doubt huey dun putting it down  
I see you miguel  
Yea.. Me?.. Yea you know it's magic  
Puerto Rico...  
La isla de encanto you know
