I'm lying alone with my head on the phone
Thinking of you 'til it hurts
I know you hurt to but what else can we do?
Tormented and torn apart.

I wish I could carry your smile in my heart
For times when my life feels so low
It will make me believe what tomorrow will bring
When today doesn't really know (doesn't really know)

CHORUS

I'm all out of love, I'm so lost without you
I know you were right, For leaving for so long
I'm all out of love, what am I without you
I cant be too late I know I was so wrong

CHORUS X3

I'm lying alone with my head on the phone
Thinking of you 'til it hurts
I know you hurt to but what else can we do?
Tormented and torn apart.

I wish I could carry your smile in my heart
For times when my life feels so low
It will make me believe what tomorrow will bring
When today doesn't really know (doesn't really know)

CHORUS X3
