I don't need no money  
'cause I've got attitude  
enough to show you a good time, honey  
And that's what I'm about to do  
You found your diamond in the rough, baby  
and I'm about to tell you why

Chorus

'Cause I got everything  
that attitude can buy  
I can get you anything  
that attitude can buy

Cruisin' down the avenue  
Stylin' in my new suit  
foot on the accelerator  
see you later  
I got everything  
that attitude can buy

Cut in lines at the night clubs  
all the doormen let me slide

I get the very best table by the bandstand  
They play my favorite songs as soon as I arrive  
Treat all the ladies like ladies  
they know I'm an up-and-up guy

Chorus

Rappin' to the young men  
it's kinda hard to understand  
got a pair of alligators  
see you later  
I got everything  
that attitude can buy... horns

I got everything that attitude can buy  
I can get you anything that attitude can buy  
Talkin' on my car phone  
send and send till you get home  
meet me in the elevator

see you later

Chorus
