Cruise With me baby

Baby let's cruise  
Away from here  
Don't be confused  
The way is clear

And if you want it you got it forever  
This is not a one-night stand, baby, yeah so...

Let the music take your mind  
Just release and you will find

Chorus:  
You're gonna fly away  
Glad you're going my way  
I love it when we're cruisin' together  
Music is played for love  
Cruisin' it made for love  
I love it when we're cruisin' together

Baby tonight  
Belongs to us  
Everything is right  
Do what you must

And inch by inch we get closer and closer  
To every little part of each other, ooh baby, yeah, so...

Let the music take your mind  
Just release and you will find

Repeat Chorus

Cruise with me baby  
Crui--se  
Crui--se  
Oh baby let's cruise  
Let's float, let's glide  
Ohh let's open up and go inside

And if you want it you got it forever

I could just stay here beside you and love you baby  
So...

Let the music take your mind  
Just release and you will find

Repeat Chorus (2x)  
(to fade)
