Two o'clock this morning  
If she should come a calling  
I couldn't dream of turning her away  
And if it got hot and hectic  
I know she'd be electric  
I'd let her take her chances with me  
You see, she gets what she wants

'Cause she's heart and soul  
She's hot and cold  
She's got it all, hot loving every night

Can't you see her standing there

See how she looks, see how she cares  
I let her steal the night away from me  
Nine o'clock this morning  
She left without a warning  
I let her take advantage of me  
You see, she got what she wanted

'Cause she's heart and soul  
She's hot and cold  
She's got it all, hot loving every night
