Everybody's looking for
the perfect world
Where you could have
everything you heart desires
A perfect boy will meet a perfect girl
and their perfect love will
set the world on fire

What you gonna do
when one and one makes three?
And a vision of the future
is impossible to see
Nobody's perfect not even a perfect fool
If you'll have faith in me
I'll keep the faith in you

(chorus)
Ain't no living in a perfect world
There ain't no perfect world anyway
Ain't no living in a perfect world

But we'll keep on dreaming of
living in a perfect world
Keep on dreaming of living
in a perfect world

Everybody's got secrets
you know that it's true
They talk about me and
they'll talk about you
Something happens to the pledges of trust
down through the years they begin to rust

Now here we are amid the tears and the laughter
still waiting for our happily ever after
We'll keep on dreaming as long as we can
try to remember and to understand

(chorus)

But we'll keep on dreaming of
living in a perfect world

Woh woh woh you and I
Keep on dreaming of living
in a perfect world

(instrumental)

Oh you gotta keep believin'

(chorus)

But we'll keep on dreaming of
living in a perfect world
Keep on dreaming of living
in a perfect world
Woh woh woh you and I
Keep on dreaming of living
in a perfect world
Keep on dreaming of living
in a perfect world
Keep on dreamin'
(living in a perfect world)
