We've had some fun, and yes we've had our ups and  
downs  
Been down that rocky road, but here we are, still  
around  
We thought about someone else, but neither one took  
the bait  
We thought about breaking up, but now we know it's  
much too late  
We are bound by all the rest  
Like the same phone number  
All the same friends  
And the same address

Yes, it's true, I'm happy to be stuck with you  
Yes, it's true, I'm so happy to be stuck with you

Because I can see that you're happy to be stuck with  
me

We've had our doubts, we never took them seriously  
And we've had our ins and outs, but that's the way it's  
supposed to be  
We thought about giving up, but we could never stay  
away  
We thought about breaking up, but now we know it's  
much too late  
And it's no great mystery  
If we change our minds  
Eventually, it's back to you and me
