Oh, we know a place with a real big beat  
A destination soul retreat  
A musical cure for your day-to-day stress  
It's a dream vacation way out West

Yeah, it's a soulful scene  
If you know what I mean

Come on down, take a chance  
Get you a room at the rhythm ranch  
Ride your pony, let's dance  
Uh huh, baby, that's the rhythm ranch, yeah

They got killer music everywhere  
To help you deal with the pain out there  
I think, you'll see that it's money well spent  
More than a hundred grooves for rent

And they got all the blues  
And views you can use

Come on down, take a chance  
Get you a room at the rhythm ranch  
Ride your pony, let's dance  
Uh huh, baby, that's the rhythm ranch

Chicken dumplings and big bands  
Tuning it up at the rhythm ranch  
Saxophones and romance  
Uh huh, baby, that's the rhythm ranch, yeah

Come on down

Oh, the funkiest place you'll ever seen  
And you won't find it in a magazine  
They got four-star service in four-four time  
Sweet soul music to ease your mind

Yeah, it's a real good deal  
With tons of feel

So come on down, take a chance  
Get you a room at the rhythm ranch  
Ride your pony, let's dance  
Uh huh, baby, that's the rhythm ranch

Chicken dumplings and big bands  
Tuning it up at the rhythm ranch  
? romance  
Uh huh, baby, that's the rhythm ranch

Yeah, that's the rhythm ranch  
That's the rhythm ranch  
That's the rhythm ranch  
Uh huh, baby, that's the rhythm ranch  
Come on down, come on down, my, my, my, yeah  
Come on down, my, my, my
