too much to think  
too much to drink again  
I fall  
asleep  
my head between my knees again  
I sink too deep  
and I dont think I'll find my way back home  
and if anything means anything  
then why don't we all fall down  
and if anyone, like anyone  
we'll learn to stand our ground

(chorus)  
it'll be alright  
the skies won't fall tonight  
and when I pray my soul to keep  
and mother may I  
walk that line tonight  
and rest my weary soul at your feet

and I raise my hand  
and question all I see  
and I'll bring these things  
to everything I keep  
and hold tight  
I hope  
I'll find my way back home  
and if anything means anything  
why don't we all fall down  
and if anyone, like anyone  
learn to stand my ground

(chorus x3)  
it'll be alright  
the skies wont fall tonight  
and when I pray my soul to keep  
and mother may I  
walk that line tonight  
and rest my weary soul at your feet

and rest my soul at your feet
