Baby let's cruise away from here  
Don't be confused, the way is clear

And if you want it you got it forever  
This is not a one night stand  
So, let music take your mind  
Just release and you will find

You're gonna fly away glad, you're going my way  
I love it when we're cruisin' together  
Music is played for love cruisin' is made for love  
I love it when we're cruisin together

Baby, tonight belongs to us  
Everything right do what you must

And inch by inch we get closer and closer  
To every little part of each other  
So, let the music take your mind  
Just release and you will find

You're gonna fly away glad, you're going my way  
I love it when we're cruisin' together  
Music is played for love cruisin' is made for love  
I love it when we're cruisin together

Cruise with me baby  
Baby let's cruise, let's float, let's glide  
Let's open up and go inside

And if you want it, you got it forever  
I can just stay here beside you and love you, baby  
Let the music take your mind  
Just release and you will find

You're gonna fly away glad, you're going my way  
I love it when we're cruisin' together  
Music is played for love cruisin' is made for love  
I love it when we're cruisin together
