(Boats N' Hoes

Boats N' Hoes, I gotta have me my boats and hoes!)

The Nina (Oh), the Pinta (Oh), the Santa Maria

I'll do you on the Bottom While you drink a Sangria

Nachos, Lemonheads, my dad's boat

You wont go down cuz my dick can float

We sail around the world and go port to port

Everytime I cum I produce a quart

Come on everybody, lets drop anchor

(Oh) that's a nice lady, I'd like to spank her

(Boats N' Hoes

Boats and Hoes, I gotta have me my boats and hoes!)

Deadliest catch, without the crabs

We're almost out of gas,

Call the Arabs!

I'm a pussy pirate my name is Jack Sparrow

I'll take off my pants she can see my flesh arrow

Make sure to wax

Use your mom's Nair

Don't be surprised if I cum in your hair

Put on your life jacket, we are leavin' dry land

Get below deck, With a dick in your hand!
