Ooh, oh yeah!.. fuck me

Boom Boom Boom
lets go back to my room
so we can do it all night
and you can make me feel right
boom boom boom
lets go back to my room
so we can do it all night
and you can fuck me

ooh, oh yeah!.. (moans)

when i stepped in the club your man was frontin
checkin me out
cause girls hes hunting
lookin for someone to give him some love
yea bitch hes gonna give it up
so i grabbed him by the ass and we went outside
gave your man a joyous ride
then he dropped to his knees and begged for skin
you know it bitch
i fucked your boyfriend

boom i fucked your boyfriend
i fucked your man
boom i fucked your boyfriend
i fucked your man
boom i fucked your boyfriend
i fucked your man
boom i fucked your boyfriend
he stuck it in

ooh, oh yeah! (moaning)

when i first saw your man he was really fine
he had this nice ass body that would blow your mind
he had this long drawn silver that was dropped down
low
he wanted to sex me from my head to my toes
so i let him rub me down
he carressed me the right way

i hit him with the juice and it made him go crazy
cause the juice had your man committing a sin
o yea silly bitch
i fucked your boyfriend

boom i fucked your boyfriend
i fucked your man
boom i fucked your boyfriend
i fucked your man
boom i fucked your boyfriend
i fucked your man
boom i fucked your boyfriend (fuck me)
he stuck it in

ooh, oh yeah! (moans)
fuck me

boom i fucked your boyfriend
i fucked your man
boom i fucked your boyfriend
i fucked your man
boom i fucked your boyfriend
i fucked your man
boom i fucked your boyfriend
he stuck it in (fuck me)

If you got a boyfriend you better hold on tight
ill take him shake him rip him on out
if you got a boyfriend you better hold on tight
cuz im the type of girl that makes a man feel right
when he goes out he wants to fuck
probably not excuse
so your nerves get plugged
then you come around a fuucking chit
chater talkin all that shit
but bitch it dont matter
cause in the end he'll be trippin again (who me?)
yea now who's your girlfriend

boom i fucked your boyfriend
i fucked your man
boom i fucked your boyfriend
i fucked your man
boom i fucked your boyfriend
i fucked your man
boom i fucked your boyfriend
he stuck it in (fuck me)

ooh, oh yeah! (moans)
fuck me
