OH x 11

Position number 1  
Seemed like alot of fun  
But it really wasn't what I thought it was  
When we were done

Position number 2  
My special gift to you  
Don't wana take you all the way  
Because theres more to do

Number 3 wasn't me  
Cuz it ended suddenly  
Number 4 was a bore  
You left me wantin' more

It's really very simple  
If ya wana do it right  
Leave the rest to the best  
POSITION NUMBER 9

Chorus:  
POSITION NUMBER 9 (x8)  
ohhhhh ya (x8)

Position number 5  
Was just a bump n grind  
Just a tease and never pleased  
My freaky state of mind

Position number 6  
A temporary fix  
Gotta take me further  
So that I can get my kicks

Number 7 was a rush  
But it just wasn't enough  
Number 8 wasn't great  
You never knew Im 8

It's really very simple

If ya wana do it right  
Leave the rest to the best  
POSITION NUMBER 9

~CHORUS~

Do it like this  
Now switch  
Do it like that  
Now switch  
ohhh  
Are you done?  
ohhh  
Ain't that a bitch!?

ohh ohh Position number 9 (x3)

All moving parts should be well lubricated  
To avoid a friction fire  
In case of an emergency, there are two fire  
extinguishers  
Located on each side of my chest

ohh ohh Position number 9 (x3)

~CHORUS~

ohh ohh ohh Position number 9  
ohh ohh ohh Position number 9

nine
