You Got To Lick It
20 Fingers

you got to lick it
before we kick it
you got to get it soft and wet
so we can kick it
(repeat)

Boom-ba-da-da-da-da .?
Baby work it

I met a real cutie
He had a nice tight booty
He seemed to be the freaky lover type
Let's cut right through the chase
C'mon and get a taste
You've got to face it
So that I can get hype

Boom-ba-da-da-da-da .?
Baby work it, baby work it

before you can stick and move
you got to grin in the groove
you know men are dogs
so go bark up somebody elses tree
here boy come come come and get it

c'mon and show your able
and go below my navel
dont be a tease
just give me what i like
I'm full of freakiness
So give my cat a kiss
And make me purr
So we can do this right

Ya gotta lick it before we kick it

Boom-ba-da-da-da-da .?

Baby work it, baby work it
Baby work it, baby work it

Ya gotta lick it before we kick it From LBV10000
