My head was heading south
But somehow my feet they seemed
Stuck in the north
And I was going to the places and all
But I couldn't find the time
I couldn't find the time
Oh baby, I couldn't find the time

Seven days is just a start
And you stole my heart
Now that we're apart
I just miss all the bliss
And the sweetness that followed

Seven days is just a start
And you stole my heart
Now that we're apart
I just miss all the bliss
And the sweetness that followed

My face was saying all
But somehow the words they seemed
Thin as air
And I'd be writing about the drama and pain
But I didn't feel a thing
I didn't feel a thing
Oh baby, I didn't feel a thing

Well getting by is easy
When you know what to do
Getting through is harder
Living in a dream

Seven days is just a start
And you stole my heart
Now that we're apart
I just miss all the bliss
And the sweetness that followed

Seven days is just a start
And you stole my heart
Now that we're apart

I just miss all the bliss
And the sweetness that followed
