I know the summer's gonna end  
But now I'm far away with friends  
Don't even blush when we're holding hands  
And sometimes it is for the best  
(Sometimes it is for the best)  
To forget about what's left at home  
Tomorrow might not even come

Now baby I've got to know  
(Baby I, baby I got to know)  
Why your love doesn't show  
(Why your love, why your love doesn't show)  
I worry about things that doesn't make sense  
Are we lovers or are friends?  
Let me know  
(Baby I, baby I got to know)  
Do you want me to go?  
(Do you want, do you want me to go?)  
I worry about you all the time  
I want to ask you  
Baby, are you mine?  
(Baby, are you mine?)

I know this chance might come to waste  
So now we dance and hardly speak  
I don't feel bad when we're cheek to cheek  
And when the days are closing in  
(When the days are closing in)  
I know I've held my hope so high  
I almost forget we're all gonna die

Now baby I've got to know  
(Baby I, baby I got to know)  
Why your love doesn't show  
(Why your love, why your love doesn't show)  
I worry about things that doesn't make sense  
Are we lovers or are friends?  
Let me know  
(Baby I, baby I got to know)  
Do you want me to go?  
(Do you want, do you want me to go?)  
I worry about you all the time

I want to ask you  
Baby, are you mine?  
(Baby, are you mine?)

Baby, are you mine?  
(Baby, are you mine?)  
Baby, are you mine?  
Baby, are you mine?  
(Baby, are you mine?)  
Baby, are you mine?  
(Baby, are you mine?)

Now baby I've got to know  
(Baby I, baby I got to know)  
Why your love doesn't show  
(Why your love, why your love doesn't show)  
I worry about things that doesn't make sense  
Are we lovers or are friends?  
Let me know  
(Baby I, baby I got to know)  
Do you want me to go?  
(Do you want, do you want me to go?)  
I worry about you all the time  
I want to ask you  
Now baby I've got to know  
(Baby I, baby I got to know)  
Why your love doesn't show  
(Why your love, why your love doesn't show)  
I worry about things that doesn't make sense  
Are we lovers or are friends?  
Let me know  
(Baby I, baby I got to know)  
Do you want me to go?  
(Do you want, do you want me to go?)  
I worry about you all the time  
I want to ask you  
Baby, are you mine?  
(Baby, are you mine?)
