You never looked back*
You never dared
"Oh, please, do not remind me"
What if you were
and what if you cared?
"Oh, why would I?"
You're dancing the week away
You're fooling a few, maybe
But on a bus down memory lane
You cannot help but cry
Heaven knows I miss him now
Heaven knows I'm coming back
Heaven knows I'm a sea inside
just like a heart attack
But I never, no never
did wrong
Heavens knows I miss him now
I can see the reason why you would
"Oh well, it's not that often"
Let me tell you when and how
"Oh, and do you?"
On weekdays you feel okay
On Fridays you stay up late
Sundays when you wake at home
you cannot help but cry
Heaven knows I miss him now
Heaven knows I'm coming back
Heaven knows I'm a sea inside
just like a heart attack
But I never, no never
did wrong
Heaven knows I miss him now
The memories will haunt you to the end
You'll listen to your love songs from back then
Music sounds better with him
Music sounds better
Heaven knows I miss him now
Heaven knows I'm coming back
Heaven knows I'm a sea inside
just like a heart attack
But I never, no never
did wrong

Heaven knows I miss him now
