I call you up
You knock me down
How do you think it feels
Have you ever been
Afraid of speaking
With the one you like
I can explain it to you
In three seconds
One two three

Mrs Green
What do you mean
Mrs Green
It's your daughter I have seen

Please come here
Or I'll go there
How do you want it to be
Tell me what you like the most
And I'll give it to you now
I can explain it in three seconds
One two three

Mrs Green
What do you mean
Mrs Green
It's your daughter I have seen
