### "Of Impurity"

Await in silence  
Calling the dogs of war  
Pure denial of life  
Preaching cheap holy law  
Resurrection by demonic blackness  
Infinity rapes their minds  
As disease to crawl on the earth  
As disease embracing us all  
Holy curse... embracing us all

Foolish saints, feeble leaders  
Their idols enslaved to a cross  
Fallen victim your roots betrayed  
Damned to receive the plague of gods

Holy curse... embracing us all!

Prepared to meet thy entity  
To reign not serve the eternity  
Forget about immortality  
Inner strength as true infinity  
Within the fires of impurity  
Within the fires of impurity

Wasted years laid to rest

But now our eyes can see  
Blinded but healed  
Evolution takes supreme

Forgotten wisdoms drowned in sin and fear  
Lost in joking losers play  
In blood maybe equal but in heart we are not  
Damned by the sons of fear  
I deny to serve a lie  
I deny this eternal life  
I deny your path of following  
And we will not pay for yourself imposed sins

Await in silence  
Calling the dogs of war

Pure denial of life  
Preaching cheap holy law  
Resurrection by demonic blackness  
Infinity rapes their minds  
As disease to crawl on the earth  
As disease embracing us all  
Holy curse... embracing us all
