I have all the colours
To make this day a carnival
She said so
And I believed her
Yes I believed every word she spoke
'Cause she wore that red dress
That's over
Yes I know

Things can change back and forth
Please do it this time for me
Things can change back and forth
Sadly, I'm never loved

I have all the colours
To paint the leaves of an autumn's day
So here I am
And so I do
Leaves fall and leave emptiness to me
And I believe her
I do

Things can change back and forth
Please do it this time for me
Things can change back and forth
Sadly, I'm never loved
