A day in November
When all the flowers were gone
I couldn't remember
What this was meant to be
And I know
And I say
That I don't care about these things
'Cause summertime is over
And you are over with it

Say yes to flowers in the sky
Say yes to a girl that passes by
Say yes to everything you like
Remember the bad things
Remember this

The saddest of feelings
A hundred days from Spring
Monroe on the ceilings
Doesn't make me smile

Say yes to flowers in the sky
Say yes to a girl that passes by
Say yes to everything you like
Remember the bad things
Remember this

It feels like this is Summer
But summer's here inside
It feels like this is summer
But summer's here inside

Say yes to flowers in the sky
Say yes to a girl that passes by
Say yes to everything you like
Remember the bad things
Remember this
