Snowflakes melt in her mouth
She fakes apples for the sky
I wonder why
He stills says that she loves me
The house

I don't think it matters
She doesn't smile in letters

This is what I wanted to see
This is what I wanted to hear
This is what I wanted to know
This is too slow
This is too slow

She is like this:
The sun but brighter
She is a balloon that flies into the sky
Left to be in heaven
Her heart and soul I see

I don't think it matters
She doesn't smile in letters

This is what I wanted to see
This is what I wanted to hear
This is what I wanted to know
This is too slow
This is too slow

Like the way I saw her
She fakes she fakes apples
Like the way I saw her
She fakes she fakes apples
She fakes she fakes apples
Like the way I saw her
She fakes she fakes apples
She fakes she fakes apples
Like the way I saw her
She fakes she fakes apples
She fakes she fakes apples
She fakes she fakes apples

She fakes she fakes apples
She fakes she fakes apples
