Don't be fooled by looks,
I'm not that sweet
Behind manners and smiles,
Intentions are all the worst kind

Don't be fooled by dreams,
I'm not that sweet
I got habits and needs,

Don't give me time
Love pass me by
The feeling I can't relate 'til I want to hate you

Don't mind if I be unkind
You should know by now
I want to be on my own

Every second around here
That's when you throw your life away
I'm not kidding when I say
You got to leave this someday
